MEMORANDUM FOR:

Special Assistant to the Director  
Psychological Strategy Board

SUBJECT

: Redraft of Second CIA Paper on  
a National Psychological Strategy

25X1A

1. Attached is our redraft for consideration by Admiral Stevens. You will note that the introduction or lead-in is missing. Mr. Stelle of the Department of State is preparing the introduction, but I am forwarding our material to you now so that it may receive PSB consideration promptly. We have stapled this draft together but have not numbered the pages, since the numbering will be affected by the length of Mr. Stelle's introduction.

2. In view of the extremely sensitive nature of this paper, it is requested that it be made available for study within PSB only on an absolute need-to-know basis.
